Points of note: Zydecosis is a zydeco music “supergroup”. Steve Junot is an established veteran of the South Louisiana music scene. Chubby Carrier has been a well known and well respected touring and recording Zydeco musician for over 20 years. Corey has been playing with Chubby for 15 of those years. Todd Adams has played with Cajun/Zydeco great Wayne Toups. Steve met Chubby when he toured with him 1996-97.

The band was augmented by guests **Waylon Thibodaux**, who lends his one of a kind cajun fiddlin' to “Baba O'Riley (Teenage Wasteland)”; and **Tony Hall**, a bassist who's played with Harry Connick Jr., the Neville Brothers, Dave Matthews and Emmylou Harris, played on “Paranoid.”
